CELEBRATE GRAND RE-OPENING OF PARK

GLENDALE, Ariz. – The city of Glendale Parks and Recreation Department will re-dedicate New World Park at 6 p.m., Wednesday, August 30. Substantial improvements to the 8-acre park are complete and the public is invited to the rededication ceremony located at 50th and Barbara avenues.

The park was originally built in 1971 and included amenities such as a lighted basketball court, soccer field, lighted tennis courts, playground, picnic tables and grills. Public meetings were held to find out what the needs and values of the community were to provide input as to the direction of the improvements.

New drinking fountains; an upgraded, shaded playground; shaded tot lot; a picnic ramada; additional trees; benches and grills; walkways and security lighting and resurfaced basketball court with upgraded lighting gives New World Park a brand new feel.

The ceremony will feature comments from Mayor Elaine Scruggs and Councilmember Phil Lieberman. Refreshments will be served.
